### Arbour Day Tree Sale

Date and Time: Saturday, April 27 8:00 am - 12:00 pm

Address: 261123 Grey Road 28, Hanover

Every year we enjoy hosting crowds of people with a shared vision; a world with more trees in it. We want to thank our volunteers who work hard to make this event run; they put their backs and hearts into it. Remember, the best time to plant a tree was 20 years ago, but the second best time is today! So, let's continue to work together to make our world a greener and healthier place.

---

The Sulphur Spring Conservation Area shop is located **to the immediate west** of Sulphur Spring Conservation Area, on Grey Road 28 off of Grey Road 10, south of Hanover. [Click the link for the map to the location.](#)

---

There is limited stock available to be sold on a first come, first serve basis. Stock is available to buy as individual trees or shrubs, or in larger numbers. There is no pre-order, or online sale. There is no tax, and this sale is non-refundable. Payment will be accepted by cash, cheque or card on site.

---

A wide range of naturalized species are typically available; coniferous, deciduous trees and wildlife shrubs. [The tree list is now available.](#) Please note that prices are subject to change, and the sheet is intended

for information only. No online or email shopping; all purchases and orders must be placed on site, Saturday, April 27th, 2024 from 8:00am until noon, at the Sulphur Spring Shop.

Trees range in size from seedlings to 8'; from bare root, to potted to balled and burlapped. SVCA staff will be on site, ready to help you load up heavier orders.

**Each year, species often include:**

- Seedlings: red pine, white pine, norway spruce, white spruce, tamarack, bitternut hickory, black cherry, black walnut, bur oak, red oak, silver maple, sugar maple, sycamore.
- Wildlife seedling shrubs: nannyberry, red osier dogwood.
- Whips: black cherry, red oak, red maple.
- Landscape stock: white cedar, white pine, colorado blue spruce, white spruce, norway spruce, tamarack, sugar maple, red maple, red oak, white oak, white birch.
